Several family members gathered at the home of Spike Kenow on Saturday, 17 September for an afternoon of fun, food and stories. The weather was a bit cool and grey, but the sun came out for a while and everyone had a great time!

The official attendance count was 45 and 6 of the 12 families were represented. I've added an [album on the KienowFamily.org](#) website (and [on Facebook](#), for those of you there. You should be able to view the photos without a Facebook account) of the photos taken today.

I think the approach we took this year was a winner - no meetings, no committee, just a date and time, a place and everyone bring snacks to share.

Stay in touch, spread the word, get connected with more kin and do this again soon!
